PUBLIC NOTICE

ADARE FLOOD RELIEF SCHEME

As part of the development of a viable Flood Relief Scheme for Adare, Co. Limerick, Limerick City & County Council, in conjunction with the Office of Public Works and the appointed environmental and engineering consultants Ryan Hanley, wish to invite members of the public to the initial consultation event at which the scheme will be introduced.

The event will take place in the Adare Community Hall on Thursday 24th March 2022 from 5.00pm to 7.00pm. This event will coincide with a public consultation event on the Draft Adare Public Realm Plan which will also be on display in the Community Hall from 9.00am to 7.00pm on the same date.

Information on the Adare Flood Relief Scheme is currently being delivered to households and businesses in the area.

Further information on the Adare Flood relief scheme is available for members of the public to view on the Project Website at: www.adarerelief.ie

The purpose of this early-stage consultation event is to give interested parties an overview of the Flood relief project, to offer them the opportunity to engage with the project team and to share their experiences of flooding in Adare and offer views on how the scheme should progress. LCC & OPW would welcome feedback from members of the public and you are invited to attend the consultation event and provide public and private comments and/or queries. Questionnaires will be available both on-line and at the Adare Community Hall.

Members of the Project Team, including our Engineering & Environmental Consultants, Ryan Hanley will be available at the public consultation event to provide further information and address any queries.

Irish Water extends public consultation on the Draft Regional Water Resources Plan: Eastern and Midlands (RWRP-EM) Public consultation extension

Irish Water has been carrying out a three month public consultation on the draft RWRP-EM which sets out the options for providing a more secure, reliable and sustainable water supply for 2.5 million customers in this region over the next 25 years.

The draft RWRP-EM and accompanying environmental reports, including the Strategic Environmental Assessment (SEA) and the Natura Impact Assessment (NIA), will assess the needs within the 134 water supplies in the region in terms of quality, quantity, reliability and sustainability.

Irish Water's National Water Resources Plan will be the first resources plan for the entire public supply in Ireland.

The documents can be viewed and downloaded at www.water.ie/nwrp and at your local authority's planning office. For details of those locations please visit www.water.ie/nwrp.

A written submission or observation with respect to the Draft RWRP-EM and associated environmental reports and NIS made to Irish Water by Friday 25th March 2022 will be taken into consideration before the finalisation of the Draft RWRP-EM.

Comments and feedback can be sent to Irish Water by Friday 25th March 2022.

Email: nwrp@water.ie Post: National Water Resources Plan, Irish Water, PO Box 13216, Glengarey, Co. Dublin

A dedicated helpline is available for anyone who would like to discuss any aspect of the consultation prior to making a submission. Freephone: 1800 46 36 76

PUBLIC NOTICE APPROPRIATE ASSESSMENT SCREENING DETERMINATION / INVITATION FOR PUBLIC SUBMISSIONS FOR PURPOSES OF CONDUCTING STAGE 2 APPROPRIATE ASSESSMENT

Application for a foreshore licence in relation to North Irish Sea Ray Windfarm Limited (NISA Ltd.) off Counties Louth, Meath and Dublin, ref: F8007558 for site investigations necessary to determine the seabed and sub-sea conditions to establish the optimum location for and design of the export cable(s) to shore and to establish the most appropriate landfall location for the export cable for the North Irish Sea Array (NISA) offshore windfarm, located off the coasts of Dublin, Meath and Louth. The application includes for geophysical surveys (multi-beam echo sounder, sub bottom profiling, side-scan sonar and magnetometer), geotechnical surveys (cone penetration test and vibrocores along the potential routes and boreholes at the landfalls) and ecological surveys (fisheries surveys, benthic grab samplings, invertebrate and benthic sampling). The map below shows the outline of the Foreshore Licence Site Investigation Area.

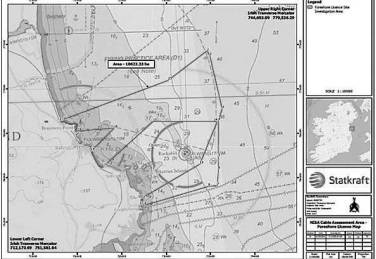

Table with 4 columns: ID, Easting, Northing, and Northing. It lists coordinates for the site set out in the table below.

The coordinates of the site are set out in the table below:

Notice is hereby given in accordance with Regulation 42(8) of S.I. No. 477/2011 - European Communities (Birds and Natural Habitats) Regulations 2011 that the Minister for Housing, Local Government and Heritage is considering an application for a foreshore licence under the Foreshore Act 1923, as amended and in particular whether or not the plan or project would have a significant impact on a European Site, has determined that an Appropriate Assessment is required. A copy of the Appropriate Assessment screening decision is available on:

https://www.gov.ie/en/foreshore-notice/7c0-f8007558-callforinfo-north-irish-sea-ray-windfarm-nisa-site-investigations-for-export-cable-route

In considering this matter the Minister had regard to the following:

1. The Screening for Appropriate Assessment Report prepared by Independent Environmental Consultants;

2. The Environmental Report prepared by the Department's Marine Advice (environment);

3. A number of application documents submitted by NISA Ltd, which informed the Screening for Appropriate Assessment and are contained in the submission the Minister determined on.

The Minister for Housing, Local Government and Heritage is responsible for making a decision on the application and the Minister may either grant, approve or consent to the application with or without conditions, conditions or agreements, where applicable, or refuse the application.

The Minister will carry out an Appropriate Assessment and in doing so, shall have regard to the matters in Regulation 42(12). The Minister will make a determination as to whether or not the proposed plan or project would adversely affect the integrity of a European site in accordance with regulation 42(11) of the European Communities (Birds and Natural Habitats) Regulations 2011.

In this regard, in accordance with Regulation 42(13), public submissions are invited for the purposes of conducting the Appropriate Assessment in this case. Any person may make a submission or observation to the Minister concerning the proposed project within 30 days of the date of this notice. The Minister shall have regard to any submissions or observations received during the public consultation.

A copy of the application, map of the proposed project, the determination that an Appropriate Assessment is required in respect of the project, the Natura Impact Statement included with this application, and the other information and documentation relevant to the application, are available for inspection for 30 calendar days, between 16th March 2022 and 15th April 2022, free of charge at:

• Fingal County Council, County Hall, Main Street, Swords, County Dublin B67 58R2

• Louth County Council, County Hall, Millersmill Centre, Dundalk, W9 8PW

• Ballbrigan Garda Station, Drogheda Road, Ballbrigan, Co. Dublin, K32 EWO1

• Drogheda Garda Station, Father Connolly Way, Downtown Drogheda, Drogheda, Co. Louth, O2 P704

• Louth County Library, Roden Place, Tomparks, Dundalk, Co. Louth A91 RC14

• Fingal County Library, St George's Square, Ballbrigan, Co. Dublin K32 TW27

The documentation is available on the Department's website: https://www.gov.ie/en/foreshore-notice/7c0-f8007558-callforinfo-north-irish-sea-ray-windfarm-nisa-site-investigations-for-export-cable-route
