

PUBLIC NOTICE

RESIDENTIAL ZONED LAND TAX

Housing for All, a New Housing Plan for Ireland, sets out an ambitious series of actions to support homeownership, increase affordability, eradicate homelessness, increase social housing delivery and tackle vacancy. A new tax to activate the development of land for residential purposes was introduced by the Department of Finance and the Revenue Commissioners in conjunction with the Department of Housing, Local Government and Heritage under Section 80 of the Finance Act 2021.

In order to implement this new tax measure, Local Authorities are required to prepare maps to identify the lands in scope for the tax in their respective functional areas, with provisions allowing those landowners whose lands are identified as being within scope, to appeal this decision by making submissions to the Local Authority or, where unsuccessful, to An Bord Pleanála. Thereafter, the administration of the tax measure will be undertaken by the Revenue Commissioners.

A Draft Map, prepared under Section 653C of the Taxes Consolidation Act 1997, has been published by Limerick City and County Council and is available for inspection on www.limerick.ie and at its offices (during normal office hours), from 1st of November 2022 to 1st of January 2023 (inclusive):
