

Appropriate Assessment Screening Determination

Appropriate Assessment (AA) Screening Determination
In accordance with the EU's Habitats Directive Article 6(3) and
The Planning and Development Act 2000 (as amended)

N69 MUNGRET & BOLAND'S CROSS ROAD SAFETY IMPROVEMENT SCHEME

An Appropriate Assessment Stage 1 Screening Report has been prepared by Flynn Furney Environmental Consultants of behalf of Limerick City and County Council in respect of the proposed N69 Mungret & Boland's Cross Road Safety Improvement Scheme.

Having regard to Article 6(3) of the Habitats Directive, Part XAB of the Planning and Development Acts 2000 (as amended) and the guidance contained in the Department of Housing, Planning, Community and Local Government's "Appropriate Assessment of Plans and Projects in Ireland Guidance for Planning Authorities" (2009) and following an examination, analysis and evaluation of the information provided in the "N69 Mungret & Boland's Cross Road Safety Improvement Scheme Appropriate Assessment Screening Report" Limerick City & County Council, as the Competent Authority determines that the proposed N69 Mungret & Boland's Cross Road Safety Improvement Scheme, will not either individually or in combination with any other plan or project adversely affect the integrity of any European Site. Consequently, a Stage 2 Appropriate Assessment is not required.

The reasons for the said determination are set out in the Appropriate Assessment Screening Report which accompanies this determination.
