Comhairliúchán:

Draft Limerick Development Plan 2022 - 2028

Tuairimí:

Mineral Development

Caibidil: Volume 1 - Written Statement» Chapter 4: A Strong Economy

This submission relates to the publication of the Draft Limerick Development Plan 2022-2028 and is made on behalf of Glencore Zinc Ireland Ltd. The principal points of our submission are as follows:

- We highlight the economic and social importance of exploration and the mining of mineral deposits in County Limerick.
- We request an amendment to Objective ECON 032 relating mineral extraction to reflect the importance of mining and protect access to mineral resources.

A full copy of the submission is attached.
