## Litir Chumhdaigh

I am a resident of Farranshone area and regularly cycle my children to school and the disconnect on Belfield Gardens is very concerning .

### Tuairimí:

#### **Lack of connectivity or proper solution to connect TUS to the city centre via Belfield Gardens**

**Caibidil:** Chapter 2 - Planning Report and  
Drawings

**Ábhair:** Part 8 Plan  
Drawings

Please reconsider the scheme to include either **Filtered permeability – eliminate through traffic or Reallocation of motor traffic space to enable a bi-directional cycle lane** on Belfield Gardens for complete connectivity, thank you
