## Litir Chumhdaigh

The sooner this is implemented the better. The more bikes on the road means less cars on the roads.

### Tuairimí:

#### The sooner it starts the better

**Caibidil:** Chapter 4 - Surveys and Additional Reports

The more bikes on the roads the safer it is for everyone, that is with actual cycling infrastructure. Painted lines are not infrastructure.

I use this road most days, as a car user, and it's a nightmare. I'd much rather it was free of cars. If cycling was a safe option I'd happily cycle.
