Part 8 - South Circular Road to City Centre Active Travel Scheme

Tuairimí:

I would like to support this

Caibidil: Chapter 1 - Planning Application Form and Notices

Hi,

As a city resident, I would like to support this and hope that it goes ahead.

It would be a huge boost for our city and there are some fine submissions detailing how individual bits could be improved and I hope they are taken on board

Regards,

Cathal
