**Do you have ideas on the priority actions? What are the key locations for the actions? What priority groups should be targeted?**

Yes

The Regeneration Programme and associated Economic and Social Intervention Fund will finish in December 2023. In order to respond effectively to the social disadvantage and deprivation of these areas it essential that the social and economic programmes continue. To continue to address the consistent issues with social exclusion, low employment rates community centres require consistent, long term and secure funding. Working in partnership is a key aspect to address the inequalities of these communities – see the linked report here which identifies the key strategies community organisations in Southill will lead on to support the community of Southill - Stronger Together Report
