To whom it may concern

I am writing in connection with the 20 planned houses in Dromroe limerick.

I am a resident in Dromroe for 18 years and have lived here happily and peacefully. There is no Green area in Dromroe except the one where you plan to build 20 houses . Outside of that there is a very small square of grass in the middle of Dromroe. There is a large number of children and teens that need somewhere to play and hangout safely with their friends .

Also Rhebogue is unbelievably congested with traffic in the mornings and no way of getting out there . It's ridiculous to even consider such a plan.

I strongly object to this idea.
