Dear Sir/Madame,

I would like to object strongly to this plan. As a S C Rd resident I will be negatively impacted by the plans implementation. There is nothing to stop cyclists using the road as it is. Under the new plan we will no longer have proper access to our residential area when using a car.

I really don't know how the Council have lost any pragmatic solutions to developing Limerick. Just look at the disaster of the railway station development, and the absolute waste of money with the O'Connell street development.

A number of years ago, while undertaking an industrial development I was subject to ridiculous conditions. As a result I decided that I would never invest in Limerick again. I have stuck to this and thankfully have invested elsewhere approximately Euro 7M.

Please, for once, let common sense rule.

Yours Sincerely,

James O Mahony.
