

Submission on Draft Caherconlish Local Area Plan 2023-2029

If possible could the following changes or additions be included in the draft plan.

1. Page 65 Could an Objective CH 06 be added with wording similar to below.

It is the Objective of LCCC to;

Seek to better coexist with biodiversity and help return food and shelter for pollinators in the Plan Area. As such all planning applications shall take into account the objectives of the All Ireland Pollinator Plan 2021 -2025 as appropriate.

2. Page 71 ; Objective IU 03 (c) can the wording be amended as follows;

Require all new developments, to include **a nature based approach to Sustainable Urban Drainage Systems SuDS (SuDS)** to control surface water outfall and protect water quality.

Page 71 ; Objective IU 03 (a) Typo, change date to 2022
