**Subject:** Caherconlish AFC submission

To whom it concerns

As representatives of Caherconlish A.F.C we would like to make a submission in relation to green area located at Oakley lawn . We note that an area has been designated for community development in the local area plan . Caherconlish A.F.C have been allocated funding to develop its sporting facilities. We currently have one playing pitch which is constantly in use due to growing membership .

We suggest that that the area highlighted in the attached map would be a better use of space as it would allow us to develop a second playing surface for both training and underage games .

Kind regards

Bobby Koyce Secretary  
Gordon Barry. Chairman  
Ian Stapleton. Assistant treasurer
