Hi [REDACTED]

I was nice to meet up the other week and discuss future plans for abbeyfeale .  
I have attached the sketch for the above estate  
Alan O Connell developments are looking to

- a. renovate and upgrade the estate
- b. Clean the scrub and bushes at the rear of the estate , grade off the boundary and landscape with suitable planting
- c. Create possible amenity space to the rear of the estate , maybe to create a cycle ,walkway, footpath link from the Killarney road to the Hill road at this end of the town which is in close proximity to the town park .
- d. Clean and finish the roadways to the rear of the property
- e. Be allowed to develop 10 to 12 housing units to complement the estate and compliment the amenity space

All this as part of the future development of the town at the Killarney road end .  
Excuse the crudeness of the sketches but I hope you understand the idea and as always we are open to any further ideas and suggestions  
regards Moss
