**Re: Abbeyfeale Local Area Plan.**

Dear Sir / Madam,

In relation to the above we wish to make a submission on behalf of our client Padraig & Mary Fitzgerald proprietors of two premises at Main Street, Abbeyfeale, both of these premises are restaurants. Our clients wish to make a submission to the Planning Authority to consider the installation of a rear access to serve properties along the rear of main street, this would be of significant benefit to all commercial properties facilitating deliveries, and refuse collection. This will improve traffic flow through the town and more importantly remove unsightly large commercial bins being placed on the street awaiting refuse collection.

The map below illustrates the location of the premises and indicative access routes.

Possible Indicative Access Route

On behalf of our Clients we thank you for taking our submission on board.

Yours Sincerely
