Data Protection Privacy Statement for

Body Worn Cameras for Traffic Wardens – Non-Statutory Public Consultation

Who we are and why do we require your information?

Limerick City and County Council seeks to promote the economic, social and cultural development of Limerick City and County and in doing so contribute significantly to improving the quality of life of its people. The delivery of high quality services, tailored to meet the needs of all our customers, remains one of Limerick City and County Council's core objectives and is included in our Corporate Plan. This quality service includes not only the level and quality of service given to our customers, but also the quality of our decision-making processes, the efficiency and effectiveness of our corporate operations, standard of our facilities and our ability to adapt in an ever-changing environment. In order to provide the most effective and targeted range of services to meet the needs of the citizens, communities and businesses of Limerick City and County we will be required to collect, process and use certain types of information about people and organisations. Depending on the service being sought or provided, the information sought may include 'personal data' as defined by the Data Protection Acts and by the General Data Protection Regulation (GDPR) and may relate to current, past and future service users; past, current and prospective employees; suppliers; and members of the public who may engage in communications with our staff. In addition, staff may be required, from time to time, to collect, process and use certain types of personal data to comply with regulatory or legislative requirements.

Why do we have a privacy statement?

Limerick City and County Council has created this privacy statement in order to demonstrate our firm commitment to privacy and to assure you that in all your dealings with Limerick City and County Council that we will ensure the security of the data you provide to us. Limerick City and County Council creates, collects and processes a significant amount of personal data in various multiple formats on a daily basis. Limerick City and County Council's commitment is that the personal data you may be required to supply to us is;

- Obtained lawfully, fairly and in a transparent manner
- Obtained for only specified, explicit and legitimate purposes
- Adequate, relevant and limited to what is necessary for purpose for which it was obtained
- Recorded, stored accurately and securely and where necessary kept up to date
- Kept only for as long as is necessary for the purposes for which it was obtained.
- Kept in a form which permits identification of the data subject
- Processed only in a manner that ensures the appropriate security of the personal data including protection against unauthorised or unlawful processing.

Data Protection Policy

Limerick City and County Council has a detailed Data Protection Policy, which outlines how we as a public body are committed to ensuring the security of any personal data you provide to us.

What is the activity referred to in this Privacy Statement?

This statement refers to the processing of personal data in respect of submissions made by members of the public under the non-statutory public consultation procedure for *Body Worn Cameras for Traffic Wardens*. This anonymous consultation/survey will be linked through MyPoint and will operate from 20th August – 09th September.

Submissions recorded on MyPoint are moderated before they are published. If personal data is provided in this survey, it will be redacted before the submission is approved and published.

This survey will not be made available on MyPoint for general public viewing.

What is the basis for making the processing of personal data in this activity lawful?

Processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in Limerick City & County Council [Article 6(1)(e) of the General Data Protection Regulations, 2016] and in conjunction with the legislation listed below;

- The Local Authorities (Traffic Wardens) Act 1975 requires the Council to make arrangements for its employees to perform the functions of Traffic Wardens
- Section 8 Safety Health and Welfare at Work Act 2005 requires the employer to safeguard the safety and health and welfare at work of its employees through ensuring, insofar as is possible, their working conditions are safe, and to supply them with protective equipment where necessary

We require your contact details

In order to communicate with you, you will be asked for contact details. You do not have to provide all contact details but providing more, such as email, phone, address, makes it easier to communicate. Please note that to help protect your privacy, we take steps to verify your identity before granting access to personal data. These contact details may also be used to verify your identity.

What other items of personal data do we need to undertake this activity?

None, this survey is anonymous and requires no personal data.

However, in order to participate in this survey, registering for a MyPoint Account is required.

The registration process will require you to submit some personal data, however, this will have no impact on the anonymity of the survey.

Is the personal data submitted as part of this activity shared with other organisations?

Limerick City and County Council may, to fulfil statutory or regulatory obligations or in the public interest, from time to time, have to share personal data with other organisations or entities (in Ireland or abroad). Where this is required, Limerick City and County Council shall have regard to the security and integrity of the data and will minimise the data shared.

No. Following the consultation period, the Road, Traffic and Cleansing Department will create a report listing all the submissions received. In the event of sensitive information being provided as part of the submission, it will be treated as confidential and will not be made public. This report, containing no personal data, will be included as an Appendix in our Data Protection Impact Assessment (DPIA) for Body Worn Cameras.

In this activity, if the personal data is to be transferred to a different country, it will be transferred to the following countries (if there are no countries listed, it is not intended to transfer the personal data abroad):

Data is NOT transferred to another country.

How long is this personal data held by Limerick City and County Council?

Limerick City and County Council has a detailed record retention policy which goes in to more detail of the time period for which your personal data will be retained by Limerick City and County Council and what will happen to it after the required retention period has expired.

The data processed as part of this activity will be retained for the following period(s):

In accordance with Article 5 1. (e) of the General Data Protection Regulation and the National Retention Policy for Local Authority Records, data will kept for no longer than is necessary.
The data processed as part of this activity will be retained for the duration of the consultation and subject to the retention period for that operational activity. Then destroy.
The DPIA will be retained for the duration of the operational activity to which the DPIA relates + 7 years. Then offer to Archivist. Click [here](#) for further details.

What will happen if the requested personal data is not provided?

Personal data is not requested in this survey as it is anonymous.

Your Rights
